What happened to Issue #3?

Mikimoto's Surprise Birthday Party a Smashing Success

Dozens upon dozens of people gathered around the upper pool deck. People milling around with still cameras and video cameras, a hushed but tense excitement in the air. Then suddenly, there he was.

Yesterday, August 30th, 1991, Haruhiko Mikimoto celebrated his 32nd birthday.

Largely Thanks to Bill Kogura of Nikaku Animart, Mikimoto was treated to a grand surprise party, jammed with overexcited fans, eager for a glimpse of the great animator. Then he made his appearance. He entered the deck through the hospitality suite, bowing humbly, always keeping a wide-eyed, slightly astonished grin on his face. As he stepped on to the deck, the whole crowd broke into a rousing song of "Happy Birthday", most singing in English, and the few who knew how in Japanese. The Cake was decorated with a striking frosting look alike of Mikimoto, which was outlined with 32 candles. After he blew out the cake, he was presented with several gifts. Then the cake was cut and distributed among the crowd, and the party continued on into the evening.

The staff of AnimeCon '91 would like to wish Haruhiko Mikimoto a very happy 32nd birthday, and wish him many more years of excellent work in the field of animation.

Walk, don't run, to
your next autograph
session.

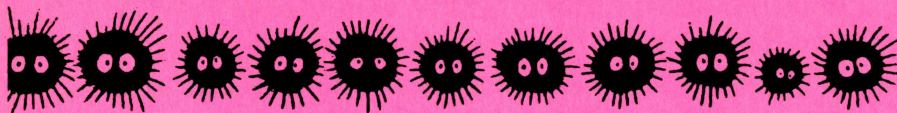

The guests of honor will be signing autographs all weekend, and will accomodate as many fans as possible. In the interest of safety, please do not run from one autograph session to another. Your day will definitely be ruined if you fall down a flight of stairs. Please be careful and don't run.

Gophers to signify end of autograph lines

Towards the end of each autograph session, a gopher will be placed in the waiting line for autographs. The gopher signifies the END of the line. If you see a gopher wearing a bright orange shirt at the end of the line, that means that you cannot get in that line, please try a later signing.

Costumers: If you wish to participate in the planning of the costuming skits for Saturday night, please call Walter Amos ASAP in room 467.
